March 9, 1945
Germany-

My Darling wife,

Sweetheart - I feel pretty good tonight. Maybe it is because I received four very sweet letters from you today. Nos 37, 38, 45, & 46. I don't know what happened to the others, maybe I will get them soon.

Howdy what ever ^{"possessed"} ~~possessed~~
"I can't spell it." ^{ha} you to go to Mahil with Ella? I'm glad you went, but I was sure surprised. You and Ella must be getting just Chummy now days. Well I can't think of anyone

that I had rather see you with
 unless it is ma. You know
 honey, Ella and ma remind me
 of each other very much. I
 like them very much, I guess
 they are some of the best
 friends we have ever had.

Darling I'm glad you pick
 such nice friends to run
 around with. Fanny if I had
 to worry about you being
 true to me like some of the
 fellows do their wives, I
 know I would go crazy. But
 Fanny I know that you will
 always be true. I love
 you so very much honey.
 I love you with all my
 heart. Your mine forever.

Honey we're listening to
 "Command performance" Kate
 Smith, Mr. District Attorney,
 Phil Harris, with Fred Waring's
 orchestra. Honey it is a real
 pleasure to hear an American
 Broadcast. That is one thing
 I really miss, is Hearing all
 the "Name Bands" playing the
 popular tunes. Kate Smith
 is singing "Because". Boy can
 she send me. I Wish she
 would send me home to you
 darling. then I could really
 be happy. my what I
 couldn't do with you in my
 arms tonight. I bet I could
 kiss you for an hour, without
 ever coming up for air. would
 you like that honey? ~~he~~
that too

Darling, I also received a letter from Alma today and two from mother. I haven't heard from your folks in about two weeks. I tell you I can't understand this mail set up. However they have so terrible much to handle that it could easily be tied up for a month. The U.S. army is the best service in the world and if the mail could be gotten here any quicker, they would do it.

Honey did you by chance hear the Kate Smith show the night the "Blue Jacket Choir" sang with her? We are listening to it now. Lots of good music tonight. How

J.

I wish I was home and you
were sitting on my knee.
Wont it be wonderful honey
when we can be together
again for the rest of our lives.

Honey I am worried very
much about Ed. I haven't heard
from him in a long time.
I sure hope he is alright.

Charlie - I don't ~~you~~ want you
to work at all, there is no
need for you to work. But if
you want to do something to
take up your time, why
don't you finish Business
school? That would be a
big help to us on our ranch.
You could keep books and do
all the paper work for me.
Think it over will you honey
and let me know what you think.

6.

Starting the war news really sounds good tonight. You know about as much about what is going on as I do. We sometimes don't know where our leading elements are until we hear it on the radio. Of course we have a good idea. Honey I do hope that I can be with you again soon.

I haven't heard from Mildred in a long time. Is she mad at me or something? Maybe I owe her a letter. I guess I had better write her tonight.

Glen Miller's Band is on the radio tonight. How I love to listen to his music. There is only one thing missing

Tonight Darling, that is
you.

Henry tonight I feel
much better. One reason is
because we are living in
a Captured house instead of
a tent. These people over
here are really looting
their stuff. Their homes are
all shot to hell and it
will be a long long time
before they can ever rebuild
the towns and roads and
bridges and other things.

The next time you see
a movie which features
a ~~good~~ ^{ghost} town, you can
get a good idea of how the
towns look in Germany.

I am sure thankful that

America doesn't have to have
 a war fought in America.
 They have really torn up
 and destroyed a lot of things.
 It is their own damn fault
 though. They started it, and
 we are just the boys who
 will finish it. Soon I
 hope.

I am quite surprised
 to see some of the German
 people in Captured Cities.
 Some of them actually seem
 to be happy to see the
 American Army move in.
 I suppose they are glad
 to see anything which will
 take the war away. I
 wish they all would decide to
 kick Hitler out and line up.

9.

You know honey we are really talking about a lot of subjects tonight. It covers everything from A to Z. When a bunch of S & T's get together they really swing the Bullth

I just feel extra good tonight for some reason. Darling I love you so very much. Sometimes I go into a trance thinking of you. Do you ever feel that I am thinking of you at some certain time? Sometimes I feel that you are thinking of me and I take your picture out of my pocket and Kiss it and try to make believe that I am kissing you. It's pretty good too. But not
